Education Foundation for Billings Public Schools
415 N. 30th Street
Billings, MT 59101

Dear Friends,

Stillwater Mining Company is proud to have given financial support to Science, Technology, Engineering, and Math (STEM) education for students in Billings Public Schools. As a natural resource company, we know the importance of providing a solid K-12 public education system for our current employees' children, future employees of Stillwater Mining Company, and our community at large.

Stillwater Mining Company's mission includes health & safety, environmental stewardship, community relationships and sustainability of the Company. We strive to work with local communities to help support projects that improve quality of life. Our support of the STEM initiative in Billings Public Schools directly benefits youth in our area, public education, and our future economic vitality.

We look forward to hearing how the STEM initiative is impacting student learning in Billings Public Schools. Thank you for the work you are doing to improve educational opportunities for students.

Best wishes,

John Beaudry,
Public Affairs Manager

Stillwater Mining Company
