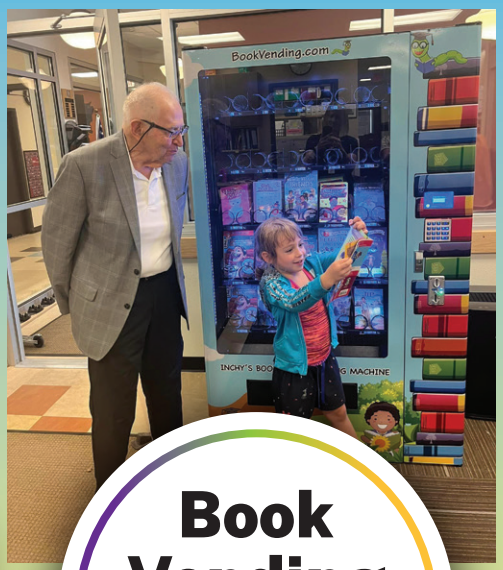
Your Donations at work: 2024-25 Impact

Food Insecurity Programs

(BackPack Meals and 36 Pantries)

Fed 1,400 kids every week, up 30% from last year.



Book Vending Machines

7 book vending machines were purchased and stocked to promote reading and positive behavior across the district.

Munch Machine

Summer Food Program

Served 275 kids over 8 weeks, recorded **over 200** volunteer hours.

Reading Rocks

Distributed **5,298 books,** recorded **388 volunteer hours** + debuted a new logo

Educator Scholarships

$4,945 through **5 scholarships** to support professional development and growth.

Student Scholarships

We provided **25 scholarships** totaling **$81,400** to fund students pursuing *any kind* of post-secondary learning.

As the board chair, I'm honored to share the inspiring success of our past fiscal year- a success driven entirely by your generosity. The impact you made is nothing short of transformative for the students of SD2. Your investment directly addressed the real challenges our students face, allowing us to significantly expand programs that combat food insecurity. Because you gave, children now arrive at school more focused and ready to learn free from the burden of hunger. By funding innovative classroom projects and providing professional scholarships, your contributions ensured teaching excellence thrives across the district. The Reading Rocks program impacted so many children, keeping their skills from sliding during the summer months. And a big shout out to our program and event sponsors who make possible financial assistance to school organizations and the Foundation. Every single gift is directly supporting the future of our community. Thank you so much for your continued partnership, trust and for making a tangible, lasting difference in the lives of thousands of children.

Gratefully,
Chris Dorr

Classroom Grants

$150,000 through 72 grants impacting all students in SD2.

Supporting Major District Improvements

- Daylis Stadium Renovation
- High School Baseball launched 1st season
- Rimrock Learning Center is 50% towards their funding goal for an inclusive playground
