Teacher's Discovery	The world's most trusted supplier of hybrid teaching resources. For in-class, at-home, or anywhere your students are — find the teaching resources you need for your hybrid learning environment.
Teachers' Exchange	Wide variety of all resources needed for the classroom.
The Adventure Letters	Engage your homeschooler with U.S. geography! Each month, explore two new states with fun stories, activities, and facts—mailed right to your home!
The Homeschool Hive	The Homeschool Hive is a dynamic learning community fostering exploration, growth, and belonging!
The Nomadic Professor	The Nomadic Professor's history curricula stands out with its on-location video lectures filmed worldwide by globetrotting historian Dr. William Jackson. The videos help bring historical settings to life offering a fresh alternative to traditional textbooks and courses. Beyond rote, contextless memorization, it emphasizes critical thinking and historical literacy, teaching students to evaluate primary and secondary sources, analyze biases, and construct research-based arguments. The courses present thorough evidence, strive to be fair and balanced, and to represent the past in all of its muddiness and complexity, helping to foster independent judgment for students looking ahead at post-high school life.
Thinking Tree	Fun-Schooling Curriculum Books are for creative kids to inspire a love for learning based on their interests. Dyslexia Games is an easy-for-parents reading therapy which works.
Thinkwell	Online turnkey math courses for grades 6-12 include video instruction, automatically graded exercises and more.
Timberdoodle	Timberdoodle Co provides only the best homeschool products and homeschool curriculum. We specialize in hands-on homeschooling and help you customize your homeschool curriculum.
